Every heifer purchased by a
junior member from the R2
Ranch program is eligible to
compete at this exclusive
show. The R2 Ranch Junior
Jackpot is an annual event
designed to benefit junior
members of the Red Brangus
and Red Angus Associations. ●

Map to sale site located on page 40.

Welcome To R2 Ranch
2004 R2 Ranch "Source For Success" Sale

"Your Source for Success"

I would like to welcome everyone interested in Red Brangus, Red Angus or Angus Plus, to our Fourth Annual "Source for Success" Sale. I think this is the best cattle we have had in the sale yet. I am happy to say that this sale has reached one of the goals I set when we had our first sale. It is now truly a production sale. All of the cattle being sold, were born, bred and raised at R2 Ranch. One year, I hope to be able say that all of the dams were bred here as well.

Richard Luciano

I think we are making great progress at developing the fertile, heat-tolerant, easy-keeping, high-grading red cattle, which we all need. I would have had more Red Angus in this year's sale, but the RAAA has scheduled convention in Dallas/Denton ending on sale day, so I'm not counting on too many Red Angus breeders being able to make it. We can have telephone bidding available for those who want it. Next year expect more Red Angus that work here in central Texas.

I am very excited about the future of red cattle, in particular those with some ear. I think that our cattle are capable of doing more with less, than they were four years ago. It will take us years more to get where we are going. Last year I told you that we averaged over 560 pounds on our spring '03 Red Brangus/Angus Plus bulls. This year we averaged over 600 pound weaning weights on our winter bull calves. If anything, we are continuing to feed less. Our spring calving cows got no feed over the winter just dry grass, one pound of molasses tub and mineral.

The bulls that we are selling this year were raised on grass and mineral and wintered on oats and mineral. Both the sale bulls and the open sale heifers have been on light feed for about 90 days prior to the sale. People seem to prefer cattle with a little more condition than just their working clothes. But let us know what you think. Send us email; visit our

website; give us feedback. We always like to hear more from our customers. If you don't have internet access, we'll have a feedback form available at this year's sale.

We don't sell heifers private treaty. I know that has lost us some show heifer sales for children that need to use a scramble certificate in the spring. I don't think it's fair to let any buyer go out in the pasture and pick. Everyone should have the same chance. I think selling cattle at our Junior Jackpot is a distraction. But let me know what you think, maybe we can have a few fall born heifers there for a silent auction.

We will be continuing our Junior Jackpot Futurity again next year. The rules will remain the same. I will post them on our website shortly. Next year's Jackpot will be held on Saturday April 23rd. Some folks have suggested dividing up the prize money more. So with that in mind and keeping over \$16,000 in prizes, we will offer \$75 for second in class, \$200 for first in class, \$500 for Reserve Division, \$1,000 for Division winners, \$1,500 for Reserve Showmanship, \$2,500 for Reserve Grand Champion, \$3,500 for Showmanship Champion, and \$5,000 for Grand Champion Heifer.

I need to thank many people as always: my wife and daughters for putting up with the time that the cattle keep me away from them; Bob Toussaint and his daughter Sara, who take care of the ranch in Fischer and the cattle there; Tommy Camacho and Pedro Tello, who have worked at our Staples ranch since long before it was ours; Doug Marburger and his wife Gay who do most of the office work for the ranch, and Doug does a whole lot more as do all of the people listed above. I also need to thank Charles Atkinson, who fits and shows our bulls and has the best eye for helping us choose the sale cattle and get the sale cattle ready. And finally, Lea Stokes who does a wonderful job with our ads, newsletters and catalogs. As always all of us are available to assist you in any way we can.

Thank you,

Richard Luciano, President
R2 Ranch, LLC

Please visit soon on the internet at www.r2ranch.com and I hope to see you at the sale.

Spring '04 Show Heifer Prospects

2004 R2 Ranch "Source For Success" Sale

January, February and March 2004 Open Show Heifer Prospects Lots 1-10

This is a tremendous set of young heifers out of some of the top cows in the Red Angus and Red Brangus breeds. Purchase of one of these heifers can give you a competitive edge in next year's show circuit and also make you a winner in the pasture.

Junior Show Kudos

Congratulations to all junior exhibitors at the American Red Brangus National Junior Show. We commend you on your efforts as a young cattleperson.

A special congratulations to those who exhibited R2 Ranch animals. Our hats off to Austin Acord, Madisonville, Texas; Charolette Atkinson, Wharton, Texas; Lauren Elliott, Pecos, Texas; Matthew Elliott, Pecos, Texas; Robby Hobson, Douglass, Texas; Carissa Jones, Sunray, Texas; John Petsch, Edinburg, Texas; Dustin Valusek, Rosharon, Texas; and Bruce Wied, El Campo, Texas.

The event was held June 23-27, 2004 in San Marcos, Texas.

Young Exhibitors Reap Awards At R2 Ranch Junior Jackpot Futurity

Youth from across the state competed in the Third Annual R2 Ranch Red Brangus and Red Angus Junior Jackpot Futurity on April 24, 2004 at the Guadalupe Cattle Company facilities in New Braunfels, Texas. Females shown in the futurity were purchased from R2 Ranch.

Bruce Wied of El Campo, Texas showed the top entry with Ms R2 Goldie 403N. His trip to the grand champion circle netted him \$7,500 and a Gist buckle from R2 Ranch owner, Richard Luciano. Charolette Atkinson of Wharton, Texas showed the reserve grand champion with her entry Ms R2 Crusader 317N. She was awarded \$3,750 and a Gist buckle. Both Bruce and Charolette purchased their heifers in the 2003 R2 "Source For Success" Sale.

Division winners were Nathan Pond, Wolfforth, Texas; Carissa Jones, Sunray, Texas; and Bruce Wied. Reserve division winners were: Austin Accord, Madisonville, Texas and Charolette Atkinson. Division winners received \$500 while class winners earned \$100 and \$50 was given for second place class winners.

In the showmanship competition, Charolette Atkinson was selected champion showman and was presented a check for \$5,000 as well as a belt buckle.

Jim Williams of Wharton, Texas served as judge of the Jackpot Futurity and the showmanship contest.

Richard Luciano (second from left) presents a belt buckle and a \$7,500 check to Bruce Wied of El Campo, Texas for showing the grand champion heifer at the R2 Junior Jackpot Futurity.

Charolette Atkinson of Wharton, Texas received a belt buckle and a \$3,750 check for exhibiting the reserve grand champion heifer at the R2 Ranch Junior Jackpot Futurity.

Fall '03 Show Heifer Prospects "Pick Lots"

2004 R2 Ranch "Source For Success" Sale

November and December 2003 Open Show Heifer Prospects Lots 11-30

We at R2 Ranch have come to the realization that we cannot continue selling every one of our best heifers and still make genetic progress with our own breeding program. Yet we want to offer our best animals for sale. As a compromise we are offering this outstanding group of show heifers as "pick lots." Each heifer will be paired with one of like conformation, percentage, etc. They will be displayed as pairs and brought into the sale ring as pairs. The high bidder will have his pick of the pair. R2 Ranch will keep the other.

Don't Miss This Opportunity...
R2 Ranch Jackpot Futurity
April 23, 2005

Purchase an R2 Ranch female and participate in the R2 Ranch Junior Jackpot Futurity for cash prizes and awesome belt buckles. Plus, it's a great day for fun, fellowship and an educational showmanship clinic.

R2 Tops National Red Brangus Show

Grand Champion Bull

Mr R2 Heaven Sent 140M • DOB: 9/25/02
Sire: Larson Sky Rocket 718 • Dam: Miss R2 140/9
Owned by R2 Ranch, LLC

Reserve Grand Champion Heifer

R2 Miss Extra Better 233M • DOB: 3/1/02
Sire: RABR None Better 413 • Dam: Miss Section M 233/5
Owned and exhibited by Charollette Atkinson

R2 Ranch, LLC had a great showing at the 2004 National Red Brangus Show. The show was held in conjunction with the San Antonio Livestock Show and Exposition. R2 extends their congratulations to Charollette Atkinson who exhibited the Reserve Grand Champion Heifer. She purchased the female in the 2003 "Source For Success" Sale.

To all of our customers and friends -

R2 Ranch is again pleased to bring an outstanding set of animals to Guadalupe Cattle Company in New Braunfels, Texas for our Fourth Annual "Source for Success" Sale. We have tried to be responsive to you, our customers, and we think you will be pleased with this sale offering. We again are bringing the very top of our herd as show heifer prospects. When a person purchases one of these fancy heifers, he can be assured that he has an animal that will be competitive and has a very good chance of winning any show entered. Many of you have expressed an interest in young pairs and so we are offering a top group of heavy bred first calf heifers. Most of these will be calved out by sale time. The shorter bred group of heifers comes from our spring '03 calf crop. They are bred to calve in February and March '05.

Many bull buyers at our "Source for Success" Sale last year said they wished we would have had more bulls in the offering, so this year we are selling 25+ big, stout, service age bulls, ready to go to work.

R2 Ranch is committed to breeding and developing good functional cattle that will be an asset to any cattleman's program, whether it be registered or commercial. We collect performance data and utilize ultrasound scanning to evaluate our cattle. This information is available to you, the buyer, so you can make the best possible buying decision. We want you to be pleased and satisfied with the animals you purchase from R2. We are in the cattle business for the long haul and we realize that is only possible if our customers like our products and keep coming back for more.

We call this sale "Source for Success" because we believe that R2 Ranch genetics will bring you success in the show ring, success in the pasture, success at the sale barn, and success on the dinner plate. I hope you will come see for yourself. See you sale day. If I can be of any help, please give me a call.

Doug Marburger
R2 Ranch Manager

Doug Marburger

The R2 Ranch staff...from left, Bob Toussaint, Tommy Camacho, Ricky Camacho, Doug Marburger and Pedro Tello.

Spring 2003 Bred Heifers Lots 31-46

This is an excellent set of young heifers. They will calve in February and March 2005. They were pasture bred in a multiple sire group using two of our top young bulls, 140M and 199/0 from April 30 to June 22, 2004.

140M was one of the top animals in our show string last year and was Grand Champion Bull at the San Antonio Livestock Show and Rio Grande Valley and was Reserve Grand Champion Bull at the Houston Livestock Show. 199/0 is a young 1/2 blood bull we are using on heifers. At times we use multiple sire groups, especially on virgin heifers. This allows us to manage the animals in one large group rather than in several separate breeding pastures. We then use DNA testing to determine which bull is a calf's sire. This is a very easy procedure. It only takes one drop of blood from the calf taken at birth or any time it is convenient. R2 Ranch will provide the necessary blood card and a filled out application form in your sale checkout packet.

We have arranged to pay all the testing fees with the DNA lab.

All you have to do is get one drop of blood and mail it off.

R² Spring '03 Bulls

2004 R2 Ranch "Source For Success" Sale

Spring 2003 Bulls Lots 71-97

This is a tremendous set of young bulls ready to go to work in your registered operation or commercial cattle herd. We have not sold any bulls from this calf crop prior to the sale. Complete performance data and ultrasound information is provided so you can select the best bull for your needs. We have provided you with good selection tools that will take the guess work out of bull buying. Remember that ratios are more important than actual numbers. Since we do not feed our cattle, they won't have the weaning and yearling weights, ribeye size or marbling of cattle that are fed.

R2 Ranch Presents Earl Campbell With Red Brangus Pair

Earl Campbell, Heisman trophy recipient and famous former running back for the Houston Oilers, is one of the newest members of the American Red Brangus Association (ARBA).

R2 Ranch, LLC was privileged to present Campbell one of his first Red Brangus females on February 14, 2004. R2 Ranch gifted Campbell with Miss R2 Willow 965M, a tremendous young two-year-old with her first calf at side. Campbell is excited to be a part of the ARBA and he commented that his ranch in Tyler, Texas, will someday be stocked with beautiful Red Brangus cattle.

The Richard Luciano, R2 Ranch owner, and his staff look forward to doing business with Campbell and his family in the future.

Doug and Gay Marburger present Earl Campbell with the registration certificate to Miss R2 Willow 965M.

Reference Sire Dialogue

2004 R2 Ranch "Source For Success" Sale

Red Angus Sires...

Buffalo Creek Dynaband 5612 is sire that I have been very pleased with. Dynaband gives us low birth weights combined with performance, and the cattle are moderate and correct. Dynaband received one star for the marbling gene and two for the tenderness gene from GeneStar.

Glacier Mountaineer 160 was purchased at the NILE in Billings, Montana as a bull calf. He has two copies of both the marbling and tenderness GeneStar genes. He has a wonderful phenotype. He is the smallest herd sire on the ranch, but he is siring performance.

Leachman Bandito Cinco 1780H is still my favorite of the six flushmates of Eleanor x Robin Hood that Leachman sold for an average of \$19,000. Cinco's EPDs keep getting better. He is below average for birth weight, while being in the top 10% for weaning weight and 5% for yearling weight. He is also in the top 10% for ribeye area and he has two stars on the GeneStar marbling test.

Leachman MarbleShooter 1027K is a carcass bull deluxe. He has great carcass EPDs and has two stars each for both marbling and tenderness.

Loosli Cherokee Teton 316N was the high selling bull at Buffalo Creek Red Angus' Spring Sale this year. He was purchased by R2 Ranch in partnership with Buffalo Creek and will be coming to Texas this fall. His service will be in our sale next year.

Off Percentage Sires...

Mr. H.S. New Style 155/21 is the best looking Red Brangus bull I have had the pleasure to own. He is a 7/16 Brahman so his use is somewhat limited as we try to stick to or create exact percentages. But he sires performance and style.

M&M Little John 30/8 is a former ARBA national champion. Little John has sired some calves that were too large for my taste, but as we have culled cows that produced excessive birth weights, we find many of Little John's calves are moderate. Little John is the only Red Brangus bull that we have tested that has two copies of both the marbling and the tenderness genes from GeneStar. After a trip to Cottage Farms, Little John is back in production again.

Quarter Blood Sires...

M&M Crusader 548/0 is a 1/4 blood bull who was Reserve Grand Champion in Houston in 2002. He sires smaller mature cattle than 2002's Grand Champion, **M&M Headstart 548/9**. Both 548/0 and 548/9 have a place in our program. 548/9 puts more growth (both to weaning and maturity in cattle that need it). And 548/0 moderates those that need it.

M&M Monument 14/0 is a bull that we sold to Brazil, but they never shipped him and we have natural service use. I like his phenotype a lot, and now we are selling a daughter of his in this sale and keeping several more as I like what I see.

Section M 991/8 is a 1/4 blood herd sire, we bought at Charlie Parker's sale. He is from Bruce Monroe's great 99 cow family and RA Brown None Better 413. The 99 cow family all but guarantees fertility.

Half Blood Sires...

M&M Trademark 768/9 is my favorite 1/2 blood sire today. We sold him to Australia last year, but we still have more than 1,000 straws of semen and are using him heavily. Trademark works, he settled cows consistently, he produces calves with growth and eye appeal.

Mr Section M 631/5 is our senior resident 1/2 blood herd sire. He does a lot of things right, but I think we will do better. We have a number of weanling to yearling half bloods looking to step up and take the place of this coming 10 year old herd sire.

Three-Eighths Herd Sires...

Sureway's Mr. Red Jack 213L is a bull that I bought half interest in late last year from Jim Hunt. Red Jack is a stout red bull that Charles Atkinson called to my attention. Our first Red Jack calves look good and we plan to cross the Prototype daughters with Red Jack and vice versa.

M&M Prototype 2400 is a 3/8 Brahman son of Ramrod's Gold 30/7 of moderate frame, who sires high performing cattle. He has two copies of the GeneStar tenderness gene. I like his calves a lot, he sired the ARBA Grand Champion bull this year in Houston.

Note: Prototype 2400 is equal to the average Red Angus sire for ribeye area and above the average Red Angus sire for marbling. Over time as we continue to use carcass merit for selection our eared cattle will compete with our Red Angus.

Semen With Purchase

With the purchase of each female lot in the R2 Ranch Sale, October 9, 2004, buyers will receive two (2) units of semen on any Red Brangus or Red Angus reference sire indicated with an asterisk in the 2004 R2 Ranch Sale catalog reference sire listing on pages 34-37.

Red Brangus Reference Sires

2004 R2 Ranch "Source For Success" Sale

Notes...

Terms And Conditions

2004 R2 Ranch "Source For Success" Sale

Except for those stated in the terms and conditions below, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction. The warranties and guarantees set forth in these Terms and Conditions are in lieu of all other warranties, either expressed or implied, and the remedies provided herein shall be the sole and exclusive remedy for the buyer, or any party through the buyer, for any breach of warranty or guarantee herein provided, and all other obligations or liabilities.

A. The following terms and conditions of sale are adapted from those recommended for use by all members of the Red Angus Association of America.

B. Copies of those terms and conditions of sale are available upon request from the Red Angus Association of America. All cattle in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under law, is reserved for all sellers unless otherwise announced.

1. BIDDING: The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. TERMS: All terms are cash or check unless satisfactory credit arrangements have been made with sale management prior to sale.

3. PURCHASER'S RISK: Each animal becomes the risk of the buyer as soon as sold, but it shall be the obligation of the seller to see that animals are fed and cared for free of charge to buyer, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.

4. CERTIFICATE OF REGISTRY: A transferred certificate of registry will be furnished to the buyer for each animal.

5. HEALTH: All animals are eligible for interstate shipment, except as otherwise announced. Interstate health papers will be furnished for each animal requiring Tuberculosis and Brucellosis tests in accordance with federal regulations.

6. AI/NON-OWNER BULL PERMITS: AI/Non-Owner Bull Permits shall be furnished by the seller, at no cost to the buyer, for all females bred artificially or naturally to bulls not owned by the seller.

7. ANNOUNCEMENTS: Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

8. BREEDING GUARANTEE: A. All animals are guaranteed by the seller to be breeders with the exception of, (1) Calves less than 12 months of age.

a. Animals shown by the purchaser after the sale. The breeding guarantees, if any, shall be as agreed upon between seller and buyer.

b. Gross negligence or willfulness misconduct on the part of the buyer.

B. Bulls are guaranteed breeders if not allowed to run within herd until at least 14 months of age. Any bull that either, (1) settles one-third or more of the healthy cows he serves, (2) is the sire of 20 or more animals, or (3) settles cows by natural service and passes a fertility test made by a competent veterinarian during any six-month period of

trial (provided for in paragraph 10B of Options and Privileges of Return or Adjustment, in this section) shall be considered a breeder.

Any guarantees with respect to the ability to freeze semen shall be by separate agreement between buyer and seller.

C. Safe in Calf Females have been examined by a competent veterinarian and are so guaranteed.

D. Served females are believed to be in calf but are not so guaranteed.

E. Pasture-bred females have been exposed but are not guaranteed to be safe in calf.

F. Open females have not been served and are so guaranteed.

9. IDENTIFICATION: Seller offers each animal with readable tattoos or brands corresponding to its registration.

10. OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT:

A. All claims for adjustment or refund must be made in writing within six (6) months of the sale date or not later than six (6) months after the animal reaches 18 months of age, with the exception of claims involving defect of parentage.

B. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm/ranch of the seller if in good condition and complying with the health requirements of the seller's state. The seller shall be entitled to six months trial following the return of the animal in which to prove the animal is a breeder. If at the end of six months the seller is unable to prove the animal is a breeder, the seller, at the option of the buyer, shall replace the animal with another of equal value or refund the purchase price. The return of the full purchase price shall in any case be deemed full satisfaction and settlement. Any expenses incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the buyer; except that the seller shall be responsible for transportation cost in excess of the distance between the buyer's farm/ranch and the location where the sale took place. If the seller proves the animal to be a breeder, it shall be the obligation of the buyer to take delivery of the animal and pay all expenses incurred for transportation.

C. If a female sold as safe in calf proves not be in calf, the buyer may receive service from the bull previously used. If the bull is not available, the seller shall be obligated to make a satisfactory adjustment to the purchase price upon return of the animal to the farm/ranch of the seller. Any adjustment provided for herein shall absolve the seller from further liability, except in the case such as female proves to be a non-breeder. If a female represented as safe in calf at time of sale proves to have been bred to a different bull, the seller shall be obligated to make a satisfactory adjustment on the purchase price upon return of the animal to the farm of the seller (adjustments shall not be considered to be a breeding fee or an allocation of the purchase price to any unborn calf.) Any expense incurred for transportation shall be the responsibility of the buyer, except that the seller shall be responsible for transportation cost in excess of the distance between the buyer's farm/ranch and the location where the sale took place.

11. DEFAULT: In the event of the buyer defaults on payment, the buyers shall be responsible for all costs, including attorney's costs, incurred by sale management or seller in connection with collecting, or attempting to collect, payment due.

Terms And Conditions

2004 R2 Ranch "Source For Success" Sale

12. GENETIC DEFECT AND PARENTAGE GUARANTEE: A. All animals are guaranteed by the seller not to produce calves with the following defects: DWARFISM, DOUBLE MUSCLING, PARROT MOUTH, OSTEOPERTOSIS (marble bone disease) and SYNDACTYLISM (mule foot). The parentage of all animals bred by the seller is guaranteed to the extent that the animal is by the sire and out of the dam that is indicated on its registration paper. These guarantees are effective for a period of two years from date of sale only under these conditions.

1. The buyers shall notify the seller in writing immediately upon birth of calf suspected of being defective or immediately after determination is made that such calf is defective or if parentage is suspect or found to be in error.

2. The seller, at his expense shall be permitted, and proved with reasonable opportunity, to obtain blood samples of alleged defective calf and its sire and dam for the purpose of DNA or blood type analysis to establish parentage. In the case of suspect parentage, the buyers, at his expense, shall be permitted, and provided with reasonable opportunity, to obtain samples of the animal in question and its sire and dam for the purpose of DNA or blood type analysis to establish parentage. If sire and dam, as indicated on the animal's registration certificate, are proven to be in error by such analysis, seller shall reimburse buyer for cost of analysis.

3. The animals will be returned by the buyer to the seller at the buyer's expense, provided the animals meet the health requirements of the seller's state.

4. The replacement of an animal with another of equal value or the refund of the purchase price in connection with a defect producing animal or an animal whose parentage is in error shall be deemed full satisfaction and settlement.

5. In the event there is a dispute as to whether or not a calf is defective, or parentage is in error, determination referred to in above, shall be made by a person or persons acceptable to both the buyer and seller, and in the event the buyer and seller cannot agree on the selection of such a person or persons then each of them shall appoint a representative to make the determination. In the event that such representatives fail to agree, a third person selected by the representatives of the buyer and seller shall make the determination.

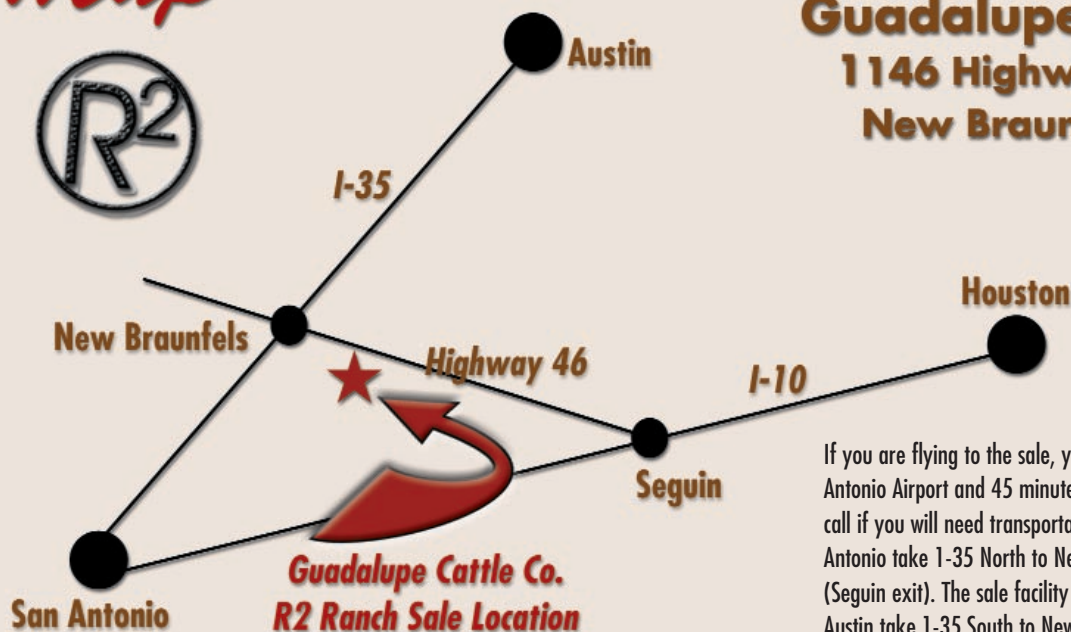

13. SELLER'S SEMEN RIGHTS: Any semen rights retained by the seller must be announced from the auction box at the time of the sale, if not already printed in the sale catalog.

14. RIGHTS AND OBLIGATIONS: 1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

2. Unless specially stated herein, neither the sale management nor the Red Angus Association of America shall have any liability for any event or occurrence related in any manner to this sale. All persons who attend the sale do so at their own risk. The seller, the owner of the sale facility, nor any person connected with the management of the sale assume no liability, legal or otherwise, for any accidents that may occur.

Map

If you are flying to the sale, you are 20 minutes from the San Antonio Airport and 45 minutes from the Austin Airport. Please call if you will need transportation from either airport. From San Antonio take I-35 North to New Braunfels. Exit Hwy. 46 South (Seguin exit). The sale facility is 2 1/2 miles on the right. From Austin take I-35 South to New Braunfels. Exit Hwy. 46 South (Seguin exit). The sale facility is 2 1/2 miles on the right.
