Welcome To R2 Ranch

2005 R2 Ranch "Source For Success" Sale

"Your Source for Success"

I would like to welcome everyone interested in Red Brangus, Red Angus or Angus Plus, to our Fifth Annual "Source for Success" Sale. I hope you all have had a good year. Our thoughts and prayers go out to those affected by Hurricane Katrina. We are optimists and believe the best is yet to come. This is particularly true if you have been selecting the best genetics. We don't all live in the same environment. But it is much easier for cattle raised under harsh conditions to prosper with lush conditions. I think this another first rate set of cattle. While all the cattle in this sale won't fit everyone, we do feel that the genetic variety we have for you to choose from will allow you to get what you need. We strive to produce functional, efficient cattle. In our operations how many of us can really afford to pour all that feed into our cattle? All of the cattle being sold, were born, bred and raised at R2 Ranch. One year, I hope to be able say that all of the dams were bred here as well. I am very excited about the future of red cattle, in particular those with some ear. I think we are making great progress at developing the fertile, heat-tolerant, easy-keeping, high-grading red cattle, which we all need. All of our cattle work in our central Texas conditions. They are not pampered. Our cattle continue to thrive with less input. Other than the sale cattle, they only get grass, grass hay, mineral and MIX-30.

Richard Luciano

It hasn't been the easiest year for many of us. Doug Marburger left R2 Ranch to start up a new business, Windmill Ranch. Doug is growing out our weaned calves to yearlings for us. We all miss Doug on the ranch and Doug and Gay in the office, but slowly we are getting our hands around the work that they were doing. We can have telephone bidding available for those who want it. Just give us a call or send an email. I have had some problems with the 1-(866) RED-COWS number this year. If you need to reach me please call my

mobile (973) 216-5289. Bob Toussaint can be reached at (830) 743-7019, Tommy Camacho can be reached at (210) 669-1369. Call Sara Toussaint for paperwork and transfers at Doug's old number (210) 389-3008.

Once again, the bulls that we are selling this year were raised on grass and mineral and wintered on oats and mineral. Both the sale bulls and the open sale heifers have been on light feed for about 60 days prior to the sale. People seem to prefer cattle with a little more condition than just their working clothes. But let us know what you think. Send us email; visit our website; give us feedback. We always like to hear more from our customers.

We don't sell heifers private treaty. I know that has lost us some show heifer sales for children that need to use a scramble certificate in the spring. I don't think it's fair to let any buyer go out in the pasture and pick. Everyone should have the same chance. We sold some heifers at our Junior Jackpot this spring and think that worked out well for all concerned.

We will be continuing our Junior Jackpot Futurity again next year. The rules will remain the same. I will post them on our website shortly. Next year's Jackpot will be held on Saturday April 22nd. We will slightly rearrange the prize money once again, keeping over \$16,000 in prizes. We will offer \$75 for second in class, \$200 for first in class, \$400 for Reserve Division, \$750 for Division winners, \$1,500 for Reserve Showmanship, \$2,000 for Reserve Grand Champion, \$3,000 for Showmanship Champion, and \$4,000 for Grand Champion Heifer.

I need to thank many people as always: my wife and daughters for putting up with the time that the cattle keep me away from them; Bob Toussaint and his daughter Sara, who take care of the ranch in Fischer and the cattle there; Bob's wife, Ann and daughter Sara who are now doing the paperwork in the office. Tommy Camacho and Pedro Tello, who have worked at our Staples ranch since long before it was ours; everyone does a whole lot more than what I listed above. I also need to thank Charles Atkinson, who fits and shows our bulls and has the best eye for helping us choose the sale cattle and get the sale cattle ready. And finally, Lea Stokes who does a wonderful job with our ads, newsletters and catalogs. As always all of us are available to assist you in any way we can.

Thank you,

Richard Luciano, President
R2 Ranch, LLC

Spring '05 Show Heifer Prospects

2005 R2 Ranch "Source For Success" Sale

Spring 2005 Open Show Heifer Prospects

Lots 1-31

These are some stout young heifers from some of the top genetics in the Red Angus and Red Brangus breeds. This year I had Charles Atkinson pick out the best heifers, then I chose 10 from various categories that I felt we could not sell. So this year there will be no "choice of" lots.

R2 Ranch Junior Jackpot Futurity

Young cattle enthusiasts from across the state and Florida competed in the Fourth Annual R2 Ranch Red Brangus and Red Angus Junior Jackpot Futurity on April 23, 2005 at the Guadalupe Cattle Company facilities in New Braunfels, Texas. Females shown in the futurity were purchased from R2 Ranch.

Charolette Atkinson of Wharton, Texas showed both the grand champion and reserve grand champion entries. She earned \$5,000 and \$2,500 for her wins respectively. She was also awarded a Gist buckle from R2 Ranch owner, Richard Luciano for each champion.

Division winners were Lawrence Padalecki, Jr., St. Hedwig, Texas; Cameron McConathy, Angerton, Texas; and Charolette Atkinson. Reserve division winners were: Charolette Atkinson; and Dylan Valusek, Rosharon, Texas. Division winners received \$1,000 and reserve winners garnered \$500 each. Class winners earned \$200 and \$75 was given for second place in each class.

In the showmanship competition, Dustin Valusek, Rosharon, Texas was selected champion showman and was presented a check for \$3,500 as well as a belt buckle.

Lorna Pelton of College Station, Texas served as judge of the Jackpot Futurity and the showmanship contest.

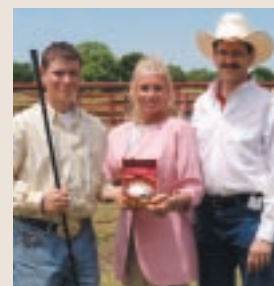

April 23, 2005
New Braunfels, Texas
Judge: Lorna Pelton

Richard Luciano (third from right) presents a belt buckle and a \$5,000 check to Charolette Atkinson of Wharton, Texas for showing the grand champion female (Ms R2 Crusader 317N) at the R2 Junior Jackpot Futurity.

Charolette Atkinson of Wharton, Texas received a belt buckle and a \$2,500 check for exhibiting the reserve grand champion heifer (R2 Miss GM 685N) at the R2 Ranch Junior Jackpot Futurity.

Dustin Valusek (left), Rosharon, Texas was named the Champion Showman at the R2 Jackpot Futurity. He received a belt buckle and a check for \$2,500 from Richard Luciano (right).

Winter '03 And Spring '04 Bred Heifers

2005 R2 Ranch "Source For Success" Sale

Winter 2003 And Spring 2004 Bred Heifers Lots 32-54

We are proud of these heifers. I'd be happy to keep any of them in my herd. They will calve next February, March and early April. They are bred to top bulls including 140M, our multiple times Grand Champion bull; 835N, our new 1/2 blood herd sire; and 316N the top selling bull from the Buffalo Creek Red Angus sale in April 2004.

® Winter '03 And Spring '04 Bred Heifers

Heavy Breds And Pairs

2005 R2 Ranch "Source For Success" Sale

Heavy Breds And Pairs Lots 55-70

This year we have another first rate set of heifers. We think these will make outstanding cows. Most will have calves at the side by sale day. Remember, the 2004 American Red Brangus Grand Champion Bull at Houston Livestock Show and Rodeo was purchased at the side of his dam in our 2002 Sale. These are good cows with some wonderful prospects at side.

Bulls And Herd Sire Prospects

2005 R2 Ranch "Source For Success" Sale

Bulls And Herd Sire Prospects

Lots 71-82

This is a great set of young bulls ready to go to work for the registered or commercial cattleman. It includes several bulls from our spring show string. Unfortunately taking the show bulls out busts contemporary groups so the show bulls have no carcass ratios and stilted ww and yw ratios. The non-show bulls have not been fed until the last couple of months. They don't have the weaning and yearling weights, ribeye size or marbling of cattle that are fed. But you know that they will thrive on our Texas grass without a feed bucket.

2004 Sale Scenes...

Reference Sire Dialogue

2005 R2 Ranch "Source For Success" Sale

Red Angus Sires...

Buffalo Creek Dynaband 5612 is sire that I have been very pleased with. Dynaband gives us low birth weights combined with performance, and the cattle are moderate and correct. Dynaband received one star for the marbling gene and two for the tenderness gene from GeneStar.

Glacier Mountaineer 160 was purchased at the NILE in Billings, Montana as a bull calf. He has two copies of both the marbling and tenderness GeneStar genes. He has a wonderful phenotype. He was the smallest herd sire on the ranch, but he is siring performance.

Leachman Bandito Cinco 1780H is still my favorite of the six flushmates of Eleanor x Robin Hood that Leachman sold for an average of \$19,000. Cinco's EPDs keep getting better. He is below average for birth weight, while being in the top 10% for weaning weight and 5% for yearling weight. He is also in the top 10% for ribeye area and he has two stars on the GeneStar marbling test.

Loosli Cherokee Teton 316N was the high selling bull at Buffalo Creek Red Angus' 2004 Spring Sale. He was purchased by R2 Ranch in partnership with Buffalo Creek and came to Texas last fall. His service is in our sale this year.

RF 5-Star Gold 4550P was the top-selling Red Angus bull at Pharo Cattle Company's Harrison, Nebraska bull sale this April. He is short (less than a frame 4) but thick and easy-keeping. I think he will add great performance on straight grass in rugged conditions. Next year you will see his calves and service in the sale.

Off Percentage Sires...

Mr. H.S. New Style 155/21 is the best looking Red Brangus bull I have had the pleasure to own. He is a 7/16 Brahman so his use is somewhat limited as we try to stick to or create exact percentages. But he sires performance and style.

Mr. R2 Heaven Sent 140M is almost a 1/4 blood herd sire, we raised ourselves from Section M and Paleface genetics on the dam's side and the Larson Skyrocket Red Angus we bought from the Morrows. He has lit up the show circuit and gets the job done in the pasture too. Some of his first calves are here as is his service.

Quarter Blood Sires...

M&M Monument 14/0 is a bull that we sold to Brazil, but they never shipped him and we have natural service use. I like his phenotype a lot, and last year we sold one daughter and now there are several and his service in this sale. You will see more from him in the future.

M&M Crusader 548/0 is a 1/4 blood bull who was Reserve Grand Champion in Houston in 2002. He sires smaller mature cattle than 2002's Grand Champion, **M&M Headstart 548/9**. Both 548/0 and 548/9 have a place in our program. 548/9 puts more growth (both to weaning and maturity in cattle that need it.) And 548/0 moderates those that need it.

Half Blood Sires...

M&M Trademark 768/9 is my favorite 1/2 blood sire today. We sold him to Australia several years ago, but we still have more than 1,000 straws of semen and are using him heavily. Trademark works, he settled cows consistently, he produces calves with growth and eye appeal.

Mr R2 Extra Handsome 835N is our new junior resident 1/2 blood herd sire. I think he is the half blood that we need today. He got the cows bred as a 15 month old bull this spring. We'll see how his calves perform next year. If they are anything like their sire look out!

Three-Eighths Herd Sires...

Sureway's Mr. Red Jack 213L is a bull that I bought half interest in late 2003 from Jim Hunt. Red Jack is a stout red bull that Charles Atkinson called to my attention. Our Red Jack calves look good and are crossing the Prototype daughters with Red Jack and vice versa. The results look as good as the sires.

M&M Prototype 2400 is a 3/8 Brahman son of Ramrod's Gold 30/7 of moderate frame, who sires high performing cattle. He has two copies of the GeneStar tenderness gene. I like his calves a lot, he sired the 2004 ARBA Grand Champion bull in Houston.

Note: Prototype 2400 is equal to the average Red Angus sire for ribeye area and above the average Red Angus sire for marbling. Over time as we continue to use carcass merit for selection our eared cattle will compete with our Red Angus.

Semen With Purchase

With the purchase of each female lot in the R2 Ranch Sale, October 8, 2005, buyers will receive two (2) units of semen on any Red Brangus or Red Angus reference sire indicated with an asterisk in the 2005 R2 Ranch Sale catalog reference sire listing on pages 28-31.

MR R2 HEAVEN SENT 140M

M&M PROTOTYPE 2400

R2 EXTRA HANDSOME 835N

SUREWAY'S RED JACK 213L

Except for those stated in the terms and conditions below, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction. The warranties and guarantees set forth in these Terms and Conditions are in lieu of all other warranties, either expressed or implied, and the remedies provided herein shall be the sole and exclusive remedy for the buyer, or any party through the buyer, for any breach of warranty or guarantee herein provided, and all other obligations or liabilities.

A. The following terms and conditions of sale are adapted from those recommended for use by all members of the Red Angus Association of America.

B. Copies of those terms and conditions of sale are available upon request from the Red Angus Association of America. All cattle in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under law, is reserved for all sellers unless otherwise announced.

1. BIDDING: The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. TERMS: All terms are cash or check unless satisfactory credit arrangements have been made with sale management prior to sale.

3. PURCHASER'S RISK: Each animal becomes the risk of the buyer as soon as sold, but it shall be the obligation of the seller to see that animals are fed and cared for free of charge to buyer, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.

4. CERTIFICATE OF REGISTRY: A transferred certificate of registry will be furnished to the buyer for each animal.

5. HEALTH: All animals are eligible for interstate shipment, except as otherwise announced. Interstate health papers will be furnished for each animal requiring Tuberculosis and Brucellosis tests in accordance with federal regulations.

6. AI/NON-OWNER BULL PERMITS: AI/Non-Owner Bull Permits shall be furnished by the seller, at no cost to the buyer, for all females bred artificially or naturally to bulls not owned by the seller.

7. ANNOUNCEMENTS: Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

8. BREEDING GUARANTEE: A. All animals are guaranteed by the seller to be breeders with the exception of, (1) Calves less than 12 months of age.

a. Animals shown by the purchaser after the sale. The breeding guarantees, if any, shall be as agreed upon between seller and buyer.

b. Gross negligence or willfulness misconduct on the part of the buyer.

B. Bulls are guaranteed breeders if not allowed to run within herd until at least 14 months of age. Any bull that either, (1) settles one-third or more of the healthy cows he serves, (2) is the sire of 20 or more animals, or (3) settles cows by natural service and passes a fertility test made by a competent veterinarian during any six-month period of

trial (provided for in paragraph 10B of Options and Privileges of Return or Adjustment, in this section) shall be considered a breeder. Any guarantees with respect to the ability to freeze semen shall be by separate agreement between buyer and seller.

C. Safe in Calf Females have been examined by a competent veterinarian and are so guaranteed.

D. Served females are believed to be in calf but are not so guaranteed.

E. Pasture-bred females have been exposed but are not guaranteed to be safe in calf.

F. Open females have not been served and are so guaranteed.

9. IDENTIFICATION: Seller offers each animal with readable tattoos or brands corresponding to its registration.

10. OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT:

A. All claims for adjustment or refund must be made in writing within six (6) months of the sale date or not later than six (6) months after the animal reaches 18 months of age, with the exception of claims involving defect of parentage.

B. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm/ranch of the seller if in good condition and complying with the health requirements of the seller's state. The seller shall be entitled to six months trial following the return of the animal in which to prove the animal is a breeder. If at the end of six months the seller is unable to prove the animal is a breeder, the seller, at the option of the buyer, shall replace the animal with another of equal value or refund the purchase price. The return of the full purchase price shall in any case be deemed full satisfaction and settlement. Any expenses incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the buyer; except that the seller shall be responsible for transportation cost in excess of the distance between the buyer's farm/ranch and the location where the sale took place. If the seller proves the animal to be a breeder, it shall be the obligation of the buyer to take delivery of the animal and pay all expenses incurred for transportation.

C. If a female sold as safe in calf proves not be in calf, the buyer may receive service from the bull previously used. If the bull is not available, the seller shall be obligated to make a satisfactory adjustment to the purchase price upon return of the animal to the farm/ranch of the seller. Any adjustment provided for herein shall absolve the seller from further liability, except in the case such as female proves to be a non-breeder. If a female represented as safe in calf at time of sale proves to have been bred to a different bull, the seller shall be obligated to make a satisfactory adjustment on the purchase price upon return of the animal to the farm of the seller (adjustments shall not be considered to be a breeding fee or an allocation of the purchase price to any unborn calf.) Any expense incurred for transportation shall be the responsibility of the buyer, except that the seller shall be responsible for transportation cost in excess of the distance between the buyer's farm/ranch and the location where the sale took place.

11. DEFAULT: In the event of the buyer defaults on payment, the buyers shall be responsible for all costs, including attorney's costs, incurred by sale management or seller in connection with collecting, or attempting to collect, payment due.

Terms And Conditions

2005 R2 Ranch "Source For Success" Sale

12. GENETIC DEFECT AND PARENTAGE GUARANTEE: A. All animals are guaranteed by the seller not to produce calves with the following defects: DWARFISM, DOUBLE MUSCLING, PARROT MOUTH, OSTEOPERTOSIS (marble bone disease) and SYNDACTYLISM (mule foot). The parentage of all animals bred by the seller is guaranteed to the extent that the animal is by the sire and out of the dam that is indicated on its registration paper. These guarantees are effective for a period of two years from date of sale only under these conditions.

1. The buyers shall notify the seller in writing immediately upon birth of calf suspected of being defective or immediately after determination is made that such calf is defective or if parentage is suspect or found to be in error.

2. The seller, at his expense shall be permitted, and proved with reasonable opportunity, to obtain blood samples of alleged defective calf and its sire and dam for the purpose of DNA or blood type analysis to establish parentage. In the case of suspect parentage, the buyers, at his expense, shall be permitted, and provided with reasonable opportunity, to obtain samples of the animal in question and its sire and dam for the purpose of DNA or blood type analysis to establish parentage. If sire and dam, as indicated on the animal's registration certificate, are proven to be in error by such analysis, seller shall reimburse buyer for cost of analysis.

3. The animals will be returned by the buyer to the seller at the buyer's expense, provided the animals meet the health requirements of the seller's state.

4. The replacement of an animal with another of equal value or the refund of the purchase price in connection with a defect producing animal or an animal whose parentage is in error shall be deemed full satisfaction and settlement.

5. In the event there is a dispute as to whether or not a calf is defective, or parentage is in error, determination referred to in above, shall be made by a person or persons acceptable to both the buyer and seller, and in the event the buyer and seller cannot agree on the selection of such a person or persons then each of them shall appoint a representative to make the determination. In the event that such representatives fail to agree, a third person selected by the representatives of the buyer and seller shall make the determination.

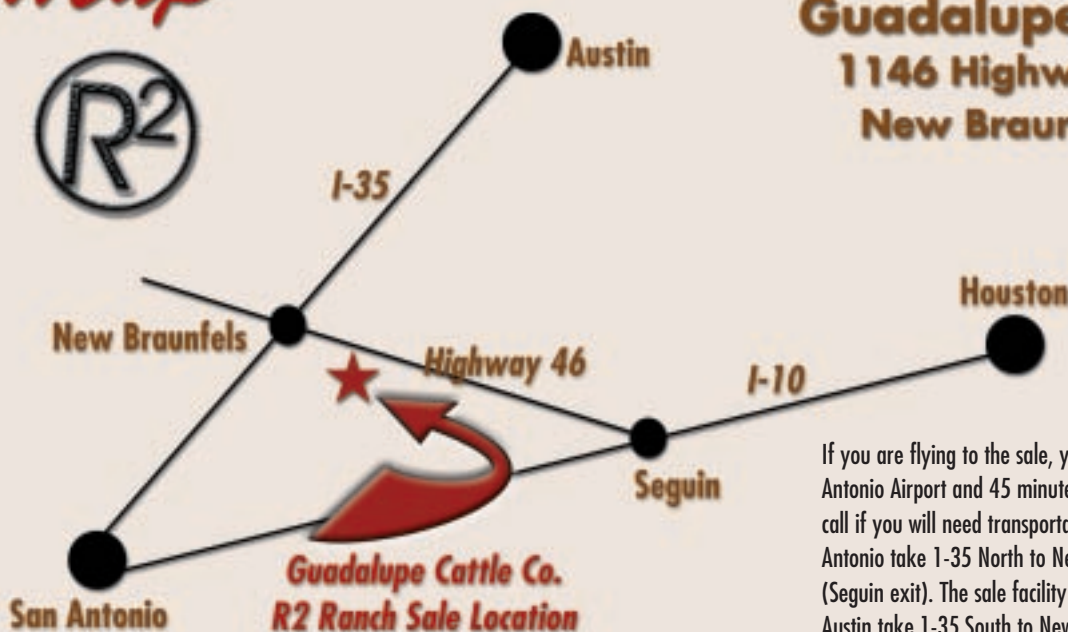

13. SELLER'S SEMEN RIGHTS: Any semen rights retained by the seller must be announced from the auction box at the time of the sale, if not already printed in the sale catalog.

14. RIGHTS AND OBLIGATIONS: 1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

2. Unless specially stated herein, neither the sale management nor the Red Angus Association of America shall have any liability for any event or occurrence related in any manner to this sale. All persons who attend the sale do so at their own risk. The seller, the owner of the sale facility, nor any person connected with the management of the sale assume no liability, legal or otherwise, for any accidents that may occur.

Map

If you are flying to the sale, you are 20 minutes from the San Antonio Airport and 45 minutes from the Austin Airport. Please call if you will need transportation from either airport. From San Antonio take I-35 North to New Braunfels. Exit Hwy. 46 South (Seguin exit). The sale facility is 2 1/2 miles on the right. From Austin take I-35 South to New Braunfels. Exit Hwy. 46 South (Seguin exit). The sale facility is 2 1/2 miles on the right.
